## **MAKING A DIFFERENCE. PROTECT AND SAVE LIVES.**

With 15,000 employees in 92 countries, decades of experience, and 2500 global experts in Medical, Fire, and Rescue, we aren't just setting the bar, we ARE the bar.

No one trains, prepares, leads, and innovates like International SOS, that's why we are on more sites in Canada, and around the world, than any other competitor.

If you want a career in Health and Emergency Services, and want to be part of the world's clear leader, International SOS is for you.

Start training for a lifetime of success today. Join the International SOS team.

We are looking for someone with a great attitude and the ability to work both independently and in a team environment.
